

Dear Clients and Friends:

In this time of national and worldwide difficulty, it is our sincere hope all our clients and friends are and remain safe and healthy. We continue to actively work to support and protect your legal needs, interests and prospects.

Consistent with governmental recommendations, many of our attorneys and staff will be working remotely. As a consequence, we appreciate your patience in the event an attorney is not immediately available to respond to your call or E-mail. Be assured we are working on your behalf and will respond as soon as possible.

Please stay well!
